FALL 2025

### Roth Provision of SECURE 2.0 Act

Beginning January 1, 2026, the IRS will implement a new regulation surrounding how catch-up contributions are handled. The SECURE 2.0 Act requires that all age-based catch-up contributions be made on a Roth (post-tax) basis for employees whose prior-year Social Security wages were \$150,000 and above. Please note: you must have Social Security, W-2-Box 3, wages to be subject to the provision.

For those employees who may be affected by this requirement, we have created a checklist for you. If you can answer “Yes” to all three of the questions below, then this provision applies to you:

#### Note:

***THIS IS NEW!***  
**\$145,000 WAS CHANGED**  
**AND IS NOW \$150,000**  
**FOR THE MANDATORY**  
**ROTH PROVISION.**

**1** Do you participate in your employer’s 403(b) and/or 457(b) plan?

**2** Do you anticipate using the age 50 catch-up in one or both plans in 2026?\*

**3** Did you earn at least \$150,000.00 in Social Security wages in 2025?

\* If permitted by your plan, contributions made using the 457(b) final three-years before normal retirement age catch-up are also subject to this provision.

If you answered “No” to **any** of the above questions, **then this provision does not apply to you.**

If you answered “Yes” to **all three** provisions, then you should reach out to your investment provider agent/representative or tax advisor to determine how you will adhere to this new regulation. You should also ensure you are aware of any requirements your employer has regarding the regulation.

## How Do I Participate in a 403(b)?

### Research Investment Providers

Review your employer's authorized investment providers at [www.omni403b.com](http://www.omni403b.com) and use the contact information to get the facts for each.

### Select an Investment Provider

Once you have reviewed and compared the authorized investment providers, select the one that is the best fit for you.

### Open Your Account

Each investment provider requires participants to open an account with them before contributions can start. Complete their paperwork before submitting an SRA to your employer.

### Complete an SRA

Your employer requires employees wishing to begin contributions to a 403(b) to submit a Salary Reduction Agreement (SRA).

### Begin Contributing

Based on the instructions you provided to your employer via your SRA, they will begin withholding the amount you specified, and send your contribution to the investment provider you selected.
